About P.G. Keshavulu

Gold Leaf Painting Artist, Founder of Kalashree Artemple, Master Craftsperson in Gold Leaf and other Painting forms, Writer, Editor and Publisher.

Pannuru Guruswamy Keshavulu is an eminent artist with a wide variety of expertise in different painting forms, most notably Gold Leaf painting. He was born in Chittoor, Andhra Pradesh in artisan's family on April 27th 1955. Hailing from a family that paid great emphasis on culture, Tanjore Painting is a family legacy that P.G.Keshavulu ensures is still being continued to this day. He learnt Gold Leaf painting techniques and ancient fine art styles from his father, the late Pannuru Guru Swamy. His elder brother, the late Padmashri Punnuru Sripathi, served as a mentor to him and also taught him painting.

Passionate about painting since childhood, he obtained a Diploma in Fine Arts from Chennai and pursued an M.A. After his education, he ran the handmade Likitha Patrika news magazine in Chittoor from 1972-1974.

With wide-ranging interests in the field of art and literature and an earnest desire to train and impart skills to students, he has actively sought to contribute to both the socio-economic and cultural development of India. His motivation is to enable people to transform their lives through art.

He founded Kalashree Artemple a classical Art Academy in Hyderabad in 2000. This academy trains students from a wide spectrum of society - students, housewives, professionals, and artists -with the motivation that Gold Leaf Painting will continue to be a prominent art form. Kalashree Artemple is also an art gallery where different painting forms are exhibited.

Before founding Kalashree Artemple, he worked as Chief Artist in magazines such as **Bommarillu, Vijaya, Neelima and Chandamama (Freelancer)**, during 1975–1980. From 1980 to 1995 he worked as Editor and Publisher in his own publication **Jabilli and Harivillu** magazines.

His relentless service in the field of Arts, over the last 40 years, he has trained over 2000 students in Gold Leaf painting, Oil painting, and Glass painting and continues to train anyone with an interest in these areas. Of special mention here is the training in Gold Leaf painting imparted to several students in Lepakshi, the Andhra Pradesh Handicrafts Development Corporation.

In 2011-2012, he trained ten students under the '**Guru Shishya Parampara**' Scheme of the Development Commissioner (Handicrafts) Ministry of Textiles, Government of India.

An innovator, he created a new art form--turmeric painting of symbolic positive energy art mudras. In this connection, he has completed over 300 episodes of '**Kalashree Trikalagnanam**' in the Telugu Bhakthi TV Channel explaining Art Mudras. He continues working on this program today. The program was also telecast daily in Tamil and Kannada until recently.

To augment his work in the fine arts field, his literary work includes writing Art Volumes published by K.V.R. Publications, Chennai. From his own, he trained nearly 600 students in the field of Literature and drawing.

The excellence of his work has resulted in numerous awards. The most notable award received is the **National Award in the field of Arts (Gold Leaf Painting)** from the **Government of India, 2012**. The most recent award he received is the 2015 **Bharath Jyoti Award** from the India International Friendship Society, New Delhi. Other prominent awards are: **Doctor of Indigenous Arts** from the Academy of Universal Global Peace in 2014; the **Kala Shri award** from the Surajkund Mela Authority in 2003; **State Award in Gold Leaf Painting** from Government of Andhra Pradesh in 2000.

सोने के पत्र पर चित्रकारी GOLD LEAF PAINTING

The gold leaf style of paintings had its origin from Tehrigarh, the cultural centre of Uttarakhand and Nayaal Khyap in south. The Traditional method of Gold Leaf Painting Tehrigarh Style, involves sketching the unblessed work on seasoned wood, with a paste made of resin gum, lime stone powder and chalk powder mixed with mineral color powder. This gum is applied first or five times after which sketching and encaustic is done with same products mixed with the same glue. Gold leaf is used as a further embellishment followed by coloring. The colour (powders) are ground to a fine consistency. The finer, the powder is, denser is the colour. The relief work in such painting gives a three dimensional effect to them. The pictures are of varied sizes mostly with figures with round faces, which give a divine feeling. Near a days, semi precious stones are used in place of real ones, but the use of gold has not stopped. Ornamentation is the main thing which makes the painting look unique in its style.

గురువుతోనే జ్ఞాన సంపద

మాట్లాడుతున్న అధ్యాత్మిక వేత్త కామిశెట్టి శ్రీనివాస్

నాగోలు: గురువుతోనే జ్ఞాన సంపద పెరుగుతుందని, మనసు, మాట, ఆత్మ శుద్ధి పొందినప్పుడే ఉన్నత స్థానాలకు చేరుకుంటారని ప్రముఖ ఆధ్యాత్మిక వేత్త కామిశెట్టి శ్రీనివాస్ అన్నారు. స్నేహపురికాలనీలోని కాంతినికే తన్ పాఠశాలలో మెడిటేషన్ ద్వారా ఆర్ట్స్ విద్యార్థులకు ఆవగాహన కలిపించారు. ఈ సందర్భంగా ఆయన మాట్లాడుతూ... సాధన చేస్తే ఏదైనా సాధ్యమవుతుందన్నారు. త్రికరణ శుద్ధితో పని చేయాలని, అప్పుడే దేవుడు, సమాజం మెచ్చుకుంటుందని ఆయన స్పష్టం చేశారు. వివిధ పాఠశాలల్లో ఉన్న పేద విద్యార్థులను తాను దత్తత తీసుకుని చదివిస్తానని ఆయన హామీ ఇచ్చారు. ఈ సందర్భంగా కళాశ్రీ కేశవ ట్రస్ట్ నిర్వాహకులు విద్యాలయకే సేవ కార్యక్రమాన్ని నిర్వహించి చిత్రక గురించి విద్యార్థులకు వివరించారు. కార్యక్రమంలో పాఠశాల చైర్మన్ రాధాకృష్ణ, డైరెక్టర్లు శేషారావు, ఝాన్సీ, జోసల్ ఇంచార్జి సందీప్, మహేశ్, ప్రిన్సిపాల్ నాగేల ద్రమ్మ, ఉపాధ్యాయులు పాల్గొన్నారు.
